3. Committee Reports and Assignments:
   a. Legislative Committee (TEPI) – Member: Robert Aldridge. Bob reported on the outlook for the 2010 Idaho Legislative session.
   b. Public Service Committee – Member: Victoria Meier. Vickie reported that two of the three section public service brochures are completed and are available for distribution. The Conservatorship and Guardianship brochure is getting a last minute review by Bob Aldridge after he received some recommended changes from Mary Jo Butler at Idaho Health and Welfare. John McGown reported on the cost to print 2,000 copies of the brochure would run about $1,000. He reported that this brochure is often used by the court. A question was raised if 2,000 copies would be enough. Terri Muse commented that the brochure is available online, which might reduce the demand. John requested a motion to approve the expenditure of section funds to print between 2,000 to 4,000 copies of the brochure dependent upon the increased cost to print over 2,000. The motion was moved, seconded and approved.

Nick Marshall asked for interest from the membership to plan a CLE for the ISB Annual Conference this summer in Idaho Falls.
